

6. What can the City do to help you achieve your future goals?

I would just ask that they continue supporting the things that I have done, + continue to voice ideas about how to make things in the city better so I can accomplish them.

7. Do you believe that there have been changes in your job duties that require an update of your job description? If so, please explain in as much detail as possible.

This is a job were having knowledge ~~of a lot~~ ^{in a lot of areas} makes it much more efficient,

- plumbing
- electrical
- general maintenance

8. What are your goals for the coming year? Please be as concise and detailed as possible.

- Finding + Fixing curb stops
- keeping water clean + storm systems open
- keeping sanitary system running smooth
- keeping Adci, council, + city residents happy.
