

6. Do you believe that there have been changes in your job duties that require an update of your job description? If so, please explain in as much detail as possible.

I do believe I find new things to do or how to do new things all the time. I don't know if that would be considered an update but continued education is a constant

7. What are your goals for the coming year? Please be as concise and detailed as possible.

- Find and fix curb stops
- keep water clean + storm drains open
- learn more about our water system (gate valves + what they all run)
- continued education + up my license.
